Dear Friends,

On behalf of the people of Los Angeles, it is my honor and pleasure to welcome the 2009 American Association of Pharmaceutical Scientists Annual Meeting and Exposition to our wonderful City of Angeles.

No other city in America offers such unique diversity. The pulse of our city and the heart of our culture beats in 224 languages so all who visit may truly feel at home. Framed with palm trees and alive with entertainment, our vibrant city features world-class hotels, renowned restaurants, historic landmarks, legendary museums, countless attractions, and unending recreational opportunities stretching from our golden beaches to our picturesque mountaintops.

We will do our best to ensure a happy and safe environment for every attendee.

Once again, Welcome to the City of Los Angeles!

Very truly yours,

Antonio R. Villaraigosa
